

The **TOP TEN REASONS** to purchase an **MCC BULL** —

10. Backed by a no-excuse cowherd that works in a no frills environment, they are SUPERMAMAs! Many ET brothers out of our best cow families.
9. Complete performance, ultrasound, and i50K data so you can make the most accurate decisions. NEW THIS YEAR - PAP data and Zoetis All Purpose Indexes on all the bulls!
8. Sensibly developed bulls designed to work, look good and act good doing it, and last a long time. We breed them to be good, so we don't have to feed them to look good.
7. We score feet, dispositions, and udders and cull the bad ones.
6. Balanced trait program designed to add profitability for everyone in the beef production chain.
5. Volume discounts and 5% repeat buyer discount.
4. Free delivery or \$50 refund for picking the bull up within 7 days.
3. Complete vaccinations, breeding soundness exams, and freeze branded for easy identification.
2. Marketing assistance whether you retain ownership, sell in the country, on the video, or through a sale barn.
